## PIZZA

Discover the extraordinary taste of our Neapolitan-style pizzas, where our dough undergoes a minimum 36-hour slow fermentation, resulting in a rich, full-bodied flavor and a bubbly, authentic crust. Every pizza is lovingly handcrafted to perfection before being stone baked. We exclusively use the finest Italian meats and cheeses, expertly paired with locally sourced vegetables, to create a truly world-class pizza experience.

## CHICKEN

When it comes to our chicken dishes, we go the extra mile. Our commitment to quality shines through as we exclusively use free-range, British chicken. Our chicken breasts are marinated in-house with our secret blend of spices, resulting in mouthwatering burgers, goujons and wings. We oversee every step of the process to ensure an unbeatable product from start to finish.

## PASTA

Authenticity is at the heart of our pasta dishes. We start with the finest Durum wheat semolina pasta, crafting fresh dishes from scratch to ensure that each bite embodies the true essence of traditional Italian cuisine. Taste the difference that passion and dedication make in every dish we serve.
